DR. SIRAJ AHMAD / LEARNING RESOURCES

Pharmacology revision worksheet

DEMO PDF | A template for your next focused revision session

TOPIC / DRUG CLASS _____

Date: _____ Revision goal: _____

01 Understand the mechanism

Describe the mechanism in your own words. Add a simple diagram.

02 Connect the concepts

Organise classifications, clinical relevance and points to review.

03 Practise with questions

Write an MCQ or a confusing concept. Explain your reasoning.

04 Plan your next revision

Record what to revisit, your next resource and a review date.

Sample worksheet template. Not Dr. Siraj Ahmad's authored course notes.

For organising study only. This worksheet contains no clinical guidance or prescribing advice.
